

GOLLA IS MADE FOR GENERATION MOBILE: Seager launches Golla at TFWA Asia Pacific 2010

Golla is the original brand to merge fashion and technology for a mobile lifestyle. Blending colourful designs with technology protection, the result is unique bags that thrill the world with good looks and flexible function.

From Finland, Golla has become the leading brand of fashionable carrying solutions for portable electronics around the world. The products are unique, useful and universally appealing.

Golla is truly about *Fashionable bags for Generation Mobile*

Seager is the exclusive distributor for Golla in Singapore and will launch the exciting brand at TFWA Asia Pacific 2010, booth F08
