THOMSEN APPOINTED TO TFWA BOARD

TFWA is pleased to announce that Erik Thomsen, Regional Manager Europe – Global Travel Retail at William Grant & Sons has been appointed Vice-President Commercial on the TFWA Board.

The election took place at the meeting of the TFWA Management Committee on Friday 18th June and the appointment will stand until the Annual General Meeting in October.

Initially Thomsen became the representative for William Grant & Sons on the Management Committee as a result of his colleague Rita Greenwood's departure on maternity leave. Upon her return to work in June he was made the permanent representative of William Grant & Sons.

Erik Thomsen is a member of the Supervisory Board of the European Travel Retail Council and was Chairman of the Nordic Travel Retail Group from 2005 to April 2010.

His appointment to the TFWA Board follows the resignation of Donatienne Fontaines-Guillaume of P&G Prestige who stepped down from the Management Committee following her appointment to a new role at LVMH.

Erik Juul-Mortensen, TFWA President: "We are delighted to welcome Erik to the Board of TFWA where we are sure his considerable experience of the duty free and travel retail industry will prove invaluable.

"On behalf of the Board I would like to thank Donatienne for her service to the Association and to the duty free and travel retail channel as a whole. Over the last decade she has been a highly-respected member of both the MC and the Board and we came to rely on her creativity and innate good sense."
