TFWA ASIA PACIFIC AND GATE ONE2ONE THE ULTIMATE TRAVEL INDUSTRY BUSINESS NETWORKING EVENT

TFWA, the premier organiser of events for the international duty free and travel retail industry, is pleased to announce that TFWA Asia Pacific and Gate One will join forces to create the ultimate travel industry networking event to be staged in Singapore Suntec from 12th to 15th May 2008.

The combined **TFWA Asia Pacific and Gate One2One conference event**, which replaces the Gate One conference, on **Monday 12th May** will take the form of a full-day conference and workshops programme for around 500 delegates with opportunities to meet with a wide range of commercial partners.

The conference event will be followed by the **TFWA Asia Pacific duty free and travel retail exhibition** which will be open for three full working days from **Tuesday 13th to Thursday 15th May** with a broader selection of exhibitors than ever before.

The event on Monday 12th will offer a consolidated conference programme for all stakeholders in the travel industry – brands, airports, airlines, cruise & ferry companies, duty free & travel retail operators and other commercial partners - with a plenary session, high profile keynote address, professional interactive workshops on specific, topical issues and around 30 top-level speakers.

An intense marketing programme is underway to ensure that major global and regional airports are invited to attend the event which will also include business networking opportunities throughout the day and a series of delightful social events such as cocktails, the Singapore Swing Party and, for the first time, a pool party.

Additional networking opportunities will be offered within the TFWA Asia Pacific exhibition: private & confidential suites in the **'One2One' lounge** for meetings; pre-organised appointment schedules; **Asia-Pacific Bar** for drinks with colleagues after a busy day.

Registration to the combined TFWA Asia Pacific and Gate One2One conference event on 12th May is complimentary for all participants signing up during the pre-registration period; thereafter places may be booked and paid for on site on a space available basis.

This event promises to be an unrivalled opportunity to learn about prospects in the Asia Pacific travel industry and related retail openings.
