

Stephen Vineburg

BEC (Hons) MBA CFA FAICD

**Head of Infrastructure Investment
Colonial First State Investments**

Stephen is responsible for the Infrastructure Investment area of Colonial First State Investments. The primary focus of this area is direct investment in major infrastructure projects including airports, tollroads, power stations and pipelines. He has been closely involved in the privatisation of the Australian airport sector and is currently responsible for a portfolio of airport investments, including holdings in Brisbane Airport, Perth Airport and Adelaide Airport.

Stephen has extensive experience in the capital and investment markets as well as a corporate advisory and risk management background. He is a director on the boards of a range of investee companies and is also Special Adviser on Infrastructure for TTF Australia; the tourism and transport forum.
