

TFWA

CARE

GOOD THINGS HAPPEN ONLY IF WE MAKE THEM HAPPEN

Such was the thinking behind the launch of TFWA Care back in 2005, and it remains the guiding principle behind the Association's commitment to support good causes across the world.

Since its launch TFWA Care has donated millions of euros to charities nominated by the Association's members, focusing on humanitarian causes that help vulnerable people – especially women and children – build better lives.

Every year TFWA invites its members to nominate charity projects and worthy causes that deserve financial support through TFWA Care. Each cause is assessed according to a number of criteria, including the tangible benefits they bring to people in need. **Priority is given to projects that TFWA Care can help to get started and bring to completion**, ensuring that the support given has a lasting legacy.

- 03** Does the project enable the beneficiaries to **help themselves** to improve their lives?
- 04** Are you and/or your company already **actively involved** in the cause?

Key criteria

Please note that the following are pre-requisites to qualify for funds from TFWA Care.

01

Beneficiaries must demonstrate a strong link to one or more TFWA member companies, which should play an active role in supporting the project nominated.

02

TFWA will prioritise those applications that concern projects with a clear start and finish, for which our funding represents a substantial proportion of the overall cost (a meaningful impact rather than a “drop in the ocean”).

03

TFWA will prioritise self-help projects that benefit women and children in particular.
