## CONCILIO

Concilio was created in 2015 by Doctor Florian Reinaud, and Georges Aoun, serial entrepreneur.

Concilio helps its users whatever their health problem, anywhere in the world and is deeply committed to delivering a unique patient experience.

At once digital and human, the Concilio platform delivers high-quality health services: access to a dedicated medical team, a recommendation service for doctors recommended by their peers, a fast appointment service, teleconsultations with general practitioners and specialists and finally a comprehensive health check-up service.
