

BAHRAIN AIRPORT

LEADING THE RECOVERY

Presented by:

Mohamed Yousif Al Binfalah
CEO of Bahrain Airport Company (BAC)

 28 November 2022

The background image shows a modern architectural scene. On the left, a building with a glass facade features a large advertisement for 'MADISON HOTEL' with Arabic text. To the right, a curved, elevated walkway or bridge structure is visible, supported by white columns. The foreground includes several palm trees and young saplings. The sky is clear and blue. The overall scene is brightly lit, suggesting a sunny day.
